

# Volkswagen Cabriolet DIY Guide

## Factory-original Fuel/Gas Cap Information

Original cap manufacturer: Blau.

Verify which cap your Cabriolet utilizes before buying a replacement.

Part Numbers	Details	Photo Examples
Cap: 155-201-551A Gasket: 191-201-557	1979-1980  <ul style="list-style-type: none"> <li>◦ Threaded</li> <li>◦ Non-vented</li> <li>◦ Lockable</li> <li>◦ With or without keyway cover</li> </ul>	
Cap: 155-201-551 Gasket: 155-201-557	1981-1993  <ul style="list-style-type: none"> <li>◦ 2-tab</li> <li>◦ Vented</li> <li>◦ Lockable</li> <li>◦ With keyway cover</li> <li>◦ Direct replacement for 171-201-551L</li> </ul>	
Cap: 171-201-551L Gasket: 155-201-557	1981-1993  <ul style="list-style-type: none"> <li>◦ 2-tab</li> <li>◦ Vented</li> <li>◦ Lockable</li> <li>◦ Without keyway cover</li> <li>◦ Direct replacement for 155-201-557</li> </ul>	
Cap: 171-201-551J Gasket: 211-201-557F	 <ul style="list-style-type: none"> <li>◦ 2-tab</li> <li>◦ Non-vented</li> <li>◦ Non-locking</li> <li>◦ Carburetor/diesel only</li> <li>◦ Not a replacement for any of the above caps unless the matching fuel filler is installed</li> </ul>	
<div style="text-align: center;">             These two non-locking caps will <b>not</b> fit Cabriolets/Rabbit Convertibles! They are for 1980-1984 American-built Rabbits only!         </div>
